Do you have questions about your bill or any service you get from Guthrie Center Communications? If so, please call our office at 332-2000. We love serving our customers and we hope to hear from you—about compliments and concerns.

Thank you for choosing us!

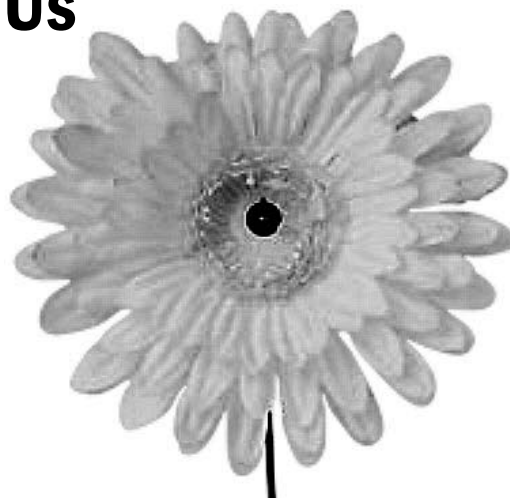

## Come Grow with Us

Spring is a time for growing. As you know, we began offering service to the Guthrie Center community in 2001. Since that time, our customer list has grown. We offer state-of-the-art, crystal clear products and services with our fiber-to-the-home infrastructure providing voice, video and Internet services.

Our promotion for spring is called 'Come Grow with Us' which we feel is very fitting for the way we feel about our services to the Guthrie Center area.

The promotion offers a **\$10 coupon** to be redeemed at Karean's Flowers in Guthrie Center for signing up for telephone, cellular, cable or high-speed Internet service. Use your coupon for gardening or flowering plants for yourself, a friend or family member. The promotion will run April 15th through May 31st.

If you are a current customer and happy with our service, please pass on this promotional information on to a friend. We are also offering a **\$2 coupon** to anyone adding a feature such as Caller ID or premium channels to their current service.

In addition to the outstanding services offered to our customers, we have also donated or been involved in many community projects and events in the Guthrie Center community. Those projects include the GC Hospital Foundation, school activities, the Chamber of Commerce and the aquatic center.

We are proud to be a corporate citizen of the Guthrie Center community and look forward to many years of growing together.

## One Company , One Clear Choice . . . The Power of One

Guthrie Center Communications gives you the Power of One; one local company working for one goal . . . your total satisfaction with all communications services.

Guthrie Center Communications provides all the services you'll ever need including:

- **Local Phone Service**—offering unlimited local calling, free incoming calls and a choice of long distance options
- **Video Entertainment**—Digital or basic with optional premium multiplex channels, digital music and pay-per-view
- **Internet**—High-speed includes always-on connection, fast speeds and 7/24 tech support
- **One Bill**—showing all of your services on one monthly statement
- **Cellular Service**—We are a Verizon Wireless agent offering a variety of calling packages, options and services to fit any need and budget
- **One Great Staff**—providing local customer service, technical support and professional installation

# GCC Installs New Phone System at Guthrie County Hospital

Guthrie Center Communications is proud to have installed a new state-of-the-art phone system throughout the Guthrie Center Hospital, GCH Family Medicine Clinics, Sneakers Café, Fitness Center and patient rooms.

This new system provides direct dial numbers to all the patient rooms, staff members and departments, further enabling friends and family to stay informed and in touch.

We are proud to be a part of this outstanding and vital Guthrie Center business.

Guthrie Center Communications General Manager Andy Randol is shown with Administrator Jerry Neal.

**Right**  
Jeff Cobb and Ron Smith are shown with LaRayne Deardorff in the reception area of the hospital.

## Springtime Safety

Spring is quickly approaching and construction and digging projects will soon be underway. Remember, there are many underground utilities that may present a problem, or even be dangerous, if disturbed.

It is important to call Iowa One Call at 800-292-8989 at least 48 business hours in advance so underground

services such as gas, water, telephone, electric, cable TV and sewer can be located and marked. Guthrie Center Communications' customers may also dial 811 to report a dig. Locate requests are taken 24 hours a day/7 days a week.

If damages occur as a result of a dig and Iowa One Call has not been

notified prior to the excavation, the homeowner or excavator may be liable for repair costs, loss of product/services or other related charges.

In addition to digging in the spring, lightning can cause many problems to your home electronics and computers. Make sure to have reliable surge protection and, when in doubt, unplug devices.

## Cellular Corner: Motorola RAZR & Message Bundles

The Motorola RAZR is one of the hottest phones on the market. Weighing in at only 3.49oz, it is one of the slimmest phones you can buy. It also includes an integrated megapixel camera, speakerphone, voice dialing and can be connected to a Bluetooth wireless headset. It features 180 minutes of talk time and 200 hours of standby time on a fully charged battery. And, for a limited time, the RAZR comes in two colors, pink or charcoal.

Another great service from Verizon is new IN Messaging Bundles. These bundles allow you to stay in constant contact with other Verizon customers with unlimited text, picture and video messaging. Packages start at \$10/month and also include 500 additional

minutes of messaging to customers outside the Verizon network.

With plans starting at \$39.99 per line, a Verizon cellular plan is the way to go. Add additional lines with the FamilyShare Plan for as low as \$9.99/month. Call or stop in today to sign up for cellular service.
